

# Gardenvale

by JEN  
KINGWELL  
DESIGNS

My quilt designs are often described as vintage with a modern twist -- a new take on the traditional.

I love scrappy quilts and enjoy the process of mixing many fabrics in each project. The more the better, really!

*Gardenvale* gives this feel in single range. It will also play well with others, making it the perfect addition to any fabric stash.

I hope this range leaves you feeling inspired and empowered to mix a little of your creative flare with a little of mine.
