

Good Tidings

"...I bring you good tidings of great joy!..."

Acorn Quilt & Gift Company

Even if the weather brings you fields of snow for the holidays, the designs that make up Good Tidings will help escort the season's celebration with classic reds, greens, icy blues, & snowy whites.

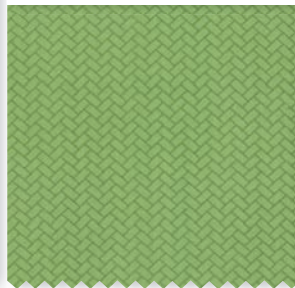

When thinking of a holiday collection, I wanted to have plenty of classic coordinate prints that would also work throughout the year as well so that, if you wish, the quilts and projects could be loved and used throughout the year.

I hope that these designs truly bring 'Good Tidings of Great Joy' to you and yours all year long!
