Information on patterns shown here can be found on the following page.

Have you ever been completely smitten? Well we certainly are with this new line! This romantic collection is full of vintage florals, checks, stripes and of course plenty of polka dots. We've added a warm linen and gorgeous blush to our signature Bonnie & Camille reds, aqua, apple green and navy. And just like being in love, it couldn't be any sweeter.

More patterns by Cotton Way and Thimbleblossoms, yardage, and pre-cuts available August 2018.
