

Bahama Batiks

moda

Bahama Dreams...

that's where you want to go to get away from it all!
Bodies in the sand, tropical drink melting in your hand.
Falling in love to the rhythm of a steel drum band...

This collection of Bahama Batiks won't take the place of actually being there, it does evoke the blue waters, sunny skies and lush landscape of the islands.

(Thank you to the Beach Boys for the song lyrics.)
