

Clover Meadow

Jan Patek Quilts

Every night, I take my dogs for a walk down the hill from my home, through a meadow filled with grass and flowers. It's quiet and peaceful, and it's a joy to see the clover with its shades of lavender, purple, green and white. White clover and red clover – which is really lavender. Next to my morning hand-stitching, it's one of my favorite parts of each day.
