

# Gypsy Soul

 BASICGREY®

*Music, laughter and joy fill the heart of the wondering one.*

Whether you enjoy dancing in windswept fields or blissfully sipping tea on the front porch, Gypsy Soul explodes with a profusion of wild flowers.

Just think of a perfect day - a picnic perhaps. Lush green fields, soft warm denim, fluffy white clouds in a light blue sky, golden pollen dusted coral and pink blooms round out our newest collection. These prints and colors are perfect for every age, from babies and toddlers all the way to adults with childlike hearts. Add a little vagabond charm to your next project and remember to “stay wild gypsy child.”
