

LUCKY

Sweetwater

We are frequently asked which collection is our favorite. That's like asking which child is our favorite. The question is entirely impossible to answer, not to mention we would never agree on just one. And then came Lucky. While we won't say it's our favorite, it's definitely in the top five! We are animal people- dogs, cats, pigs, sheep - we love them all! However, it's not just the cute puppies that draw us to Lucky. The collection is happy, fun and very easy to work with. The colors are just a touch different for Sweetwater, and we absolutely love the fresh look!
